## 6. Applications

### (1) Qualification for applying

The presenters must

- ① belong to a school in upper secondary education.
- ② apply by school.
- ③ not apply to both of the two sessions; the Oral Presentation and Poster Presentation.
- ④ not put the same research on both of the two sessions.

※ The attendance at Welcome Reception is optional.

### (2) Oral Presentation

- ① The presenters choose one from the two sections below.
  - Competition Section  
Experts judge the Oral Presentations and choose the best one.
  - Standard Section  
The Oral Presentations are not given any judgement.
- ② Poster Presentations are performed in English.
- ③ Encouragement Prizes are awarded to all groups.
- ④ The number of presentations is one from each school. Adjustments are, however, carried out if necessary.
- ⑤ Each presentation consists of 7 min. and 5 min. Q & A time.

### (3) Poster Presentation

- ① Presenters choose one from the two sections below.
  - Competition Section  
Experts judge the Poster Presentations and choose the best one. Poster Presentations are performed in English.
  - Standard Section  
The Poster Presentations are not given any judgement. You can give a presentation in English or Japanese.
- ② Encouragement Prizes are awarded to all groups.
- ③ There is no limitation to the number of presentations from each school. Adjustments are, however, carried out if necessary.
- ④ The size of the poster are as follows: A1-size (594×841mm)  
We will print out the presentation posters if necessary.

- ⑤The desks or the electric outlets for displaying materials are not provided by the host school, so the presenters themselves prepare them, if necessary.

## 7. How to Apply

Fill in the Application Form and the Abstract Submission Form, and send them to us via e-mail or Fax. Our contact is as below.

### (1) Things to Note

#### ① Application Form

- Fill in the form all in ENGLISH except Title (Local Language). You need to fill in Title (Local Language) when you are planning to give a presentation in Standard Section in Japanese.
- In “Section,” choose either Competition Section or Standard Section.
- In “Category,” choose one from Mathematics, Physics, Earth Science, Chemistry, Biochemistry, Biology, Environmental Science, Engineering, Computer Science & Information Engineering, or Behavioral & Social Sciences.
- In “Age,” choose your age on the day of KISF 2018 (March 18<sup>th</sup> 2018)
- You cannot choose “Presenter” unless you have already filled in “Student” of Participation Information.

#### ② Abstract Submission Form

- It is necessary to hand in the Abstract Submission Form for Competition Section or Standard Section.
- Write all in English.
- Title must be the same as the one in the Application Form.
- Abstract should consist of 200 words.
- Abstract is submitted to the Experts in advance.

### (2) The Period to submit

#### ① Application Form

January 8<sup>th</sup> (Mon.) 2018 ~ February 9<sup>th</sup> (Fri.) 2018

#### ② Abstract Submission Form

January 8<sup>th</sup> (Mon.) 2018 ~ February 28<sup>th</sup> (Wed.) 2018
